NEVER UNDERESTIMATE THE IMPACT OF YOU WASHROOMS

Kimberly-Clark Professional

Kimberly-Clark is a US \$16 Billion Global Consumer and Professional Products Company employing over 64,000 people worldwide. Our Tissue, Personal Care and Healthcare products are manufactured in 42 countries and sold in more than 150 countries. We are home to some of the world's most trusted and recognised brands, including KLEENEX®, SCOTT®, WYPALL®, HUGGIES® and KOTEX®. Nearly one-fourth of the world's population use Kimberly-Clark products each year. We have been one of Fortune Magazine's "Most Admired" corporations since 1983 and were recently named to its list of "100 Best Companies to Work For in America".

Recognising the needs of the Indian market and backed with years of research and learning, Kimberly-Clark Professional products were launched targeting Institutional customers during 1995. Since then, Kimberly-Clark Professional has been doing pioneering work with leading Indian customers like Airlines, Prestigious Hotel Chains, Food Service Outlets, Corporate Offices, Entertainment Centres and Health Care Facilities.

Kimberly-Clark Professional is reputed in India for:

Kimberly-Clark Hygiene Products Private Limited is a wholly owned subsidiary of Kimberly-Clark Corporation.

- *National presence of extensive distribution channel partners covering the length and width of the country.*
- *Dynamic team with consultative approach to customer problem solving and providing innovative services such as on-site need analysis & cost-in-use analysis.*
- *Prompt deliveries and reliable after sales service - on time, complete and consistent quality.*
- *On line Customer Care Service and Toll-Free Customer Care Line to provide ready information and assistance.*

Over the past years we have pioneered in India innovative products such as the Folded Paper Towel System, the Skin Care System, the Jumbo Roll Tissue System. We recently revolutionised the conventional Roll Bathroom Tissue category with the Hygienic Bathroom Tissue System and the Folded Napkin System category with the Pop-Up Napkin System.

*We would be delighted to assist you maintain and improve the image of your washrooms, increase cleanliness, improve efficiency & hygiene standards, reduce waste and save time & money - **all while delivering exceptional performance and better value for money!***

QUARTER FOLD NAPKINS

Kimberly-Clark Professional* **Quarter Fold Napkins**

Premium softness & cleanliness your customers deserve

- Superior quality makes the napkins highly absorbent prevents the napkin from shredding or sticking to the skin thus eliminating wastage & frustration.
- Simple embossing pattern gives a unique fluffiness to the napkin.
- Super soft and smooth napkin is gentle on the skin. Premium softness & cleanliness your customers deserve.

Standard Small Roll Tissue

Conventional napkin can never give you the softness or cleanliness you wish to give your customers.

- Conventional paper napkins shred and stick to skin.
- Conventional paper napkins do not absorb and feel rough on the skin.
- Cloth napkins get shabby and stained after few uses.
- Cloth napkin if not washed properly can lead to cross-contamination.
- Precious time is spent on carting, laundering and sorting of cloth napkins.
