Kimberly-Clark Professional

Kimberly-Clark is a \$15 Billion Global Consumer and Professional Products Company employing over 64,000 people worldwide. Our Tissue, Personal Care and Healthcare products are manufactured in 42 countries and sold in more than 150. We are home to some of the world's most trusted and recognised brands, including KLEENEX®, SCOTT®, WYPALL®, HUGGIES® and KOTEX®. Nearly one-fourth of the world's population use Kimberly-Clark products each year. We have been one of Fortune Magazine's "Most Admired" corporations since 1983 and were recently named to its list of "100 Best Companies to Work For in America".

Recognising the needs of the Indian market and backed with years of research and learning, Kimberly-Clark Professional products were launched targeting Institutional customers during 1995. Since then, Kimberly-Clark has been doing pioneering work with leading Indian customers like Airlines, Prestigious Hotel Chains, Food Service Outlets, Corporate Offices, Entertainment Centres and Health Care Facilities.

Kimberly-Clark Professional is reputed in India for:

Kimberly-Clark Hygiene Products Private Limited is a wholly owned subsidiary of Kimberly-Clark Corporation.

- *National presence of extensive distribution channel partners covering the length and width of the country.*
- *Dynamic team with consultative approach to customer problem solving and providing innovative services such as on-site need analysis & cost-in-use analysis.*
- *Prompt deliveries and reliable after sales service - on time, complete and consistent quality.*
- *On line Customer Care Service and Toll-Free Customer Care Line to provide ready information and assistance.*

Over the past years we have pioneered in India innovative products such as the Folded Paper Towel System, the Skin Care System, the Jumbo Roll Tissue System. We recently revolutionised the conventional Roll Bathroom Tissue category with the Hygienic Bathroom Tissue System and the Folded Napkin System category with the Pop-Up Napkin System.

*We would be delighted to assist you maintain and improve the image of your washrooms, increase cleanliness, improve efficiency & hygiene standards, reduce waste and save time & money - **all while delivering exceptional performance and better value for money!***

DISPENSER

Mini Dispenser

- Dispensers do not rust & are easy to clean.
- Easy to mount on wall or tiles with screws or adhesive tape.

- Simple, push lever assembly system eliminates chances of break down and damage.
- The dispenser does not clog, leak or drip.

- A gentle 'push' of the lever dispenses a fixed, pre-measured quantity of soap, eliminating wastage and overuse.

Soap Refill

- The revolutionary 'pump & pouch' dispensing system prevents the unused soap from contamination.
- Every soap refill is packed in a one time use vacuum pouch, delivering drip-free, clog-free and leak-proof performance.
- Use and throw soap pouches reduces maintenance time.
- The pH balanced soap is specially formulated to clean, moisten and soften skin.
- The thick, luxurious soap does not run off your hands like conventional liquid soaps, hence controlling wastage & overuse.

SOAP REFILL

Soap Refill Options

The WINDOWS* Mini-500 Skin Care System and WINDOWS* Series-i OnePak Skin Care System, helps you to turn the simple hand washing ritual into a pleasant experience. These highly versatile skin care systems offer 3 refill options, making it the only skin care system that can be used almost anywhere.

Gentle Cleanser (Pink): General purpose cleanser

- pH balanced with pleasant floral fragrance.
- Specially formulated to clean, soften and moisten skin.

Recommended Areas of Use: office areas, public facilities, office building, schools and other locations that do not have specialised cleaning tasks.

Gentle Cleanser (Yellow): Hair & Body Shampoo

- Luxurious lather and rich in emollients. No soap residue to dry the skin.
- Protein rich, clean-rinsing formula is a superior hair shampoo with the soothing kindness of glycerin.

Recommended Areas of Use: long-term healthcare settings, health spas, salons gymnasium, swimming pools, hotel & lodging guestrooms.

Microderm Cleanser (Pearl): Antibacterial Soap

- 0.25% Triclosan to provide low level bacterial reduction.
- To provide light duty germ killing in places like handling facilities and public areas.

Recommended Areas of Use: clinics, hospital and mobile vans.
