NEVER UNDERESTIMATE THE IMPACT OF YOU WASHROOMS

Kimberly-Clark Professional

Kimberly-Clark is a \$15 Billion Global Consumer and Professional Products Company employing over 64,000 people worldwide. Our Tissue, Personal Care and Healthcare products are manufactured in 42 countries and sold in more than 150. We are home to some of the world's most trusted and recognised brands, including KLEENEX®, SCOTT®, WYPALL®, HUGGIES® and KOTEX®. Nearly one-fourth of the world's population use Kimberly-Clark products each year. We have been one of Fortune Magazine's "Most Admired" corporations since 1983 and were recently named to its list of "100 Best Companies to Work For in America".

Recognising the needs of the Indian market and backed with years of research and learning, Kimberly-Clark Professional products were launched targeting Institutional customers during 1995. Since then, Kimberly-Clark has been doing pioneering work with leading Indian customers like Airlines, Prestigious Hotel Chains, Food Service Outlets, Corporate Offices, Entertainment Centres and Health Care Facilities.

Kimberly-Clark Professional is reputed in India for:

Kimberly-Clark Hygiene Products Private Limited is a wholly owned subsidiary of Kimberly-Clark Corporation.

- *National presence of extensive distribution channel partners covering the length and width of the country.*
- *Dynamic team with consultative approach to customer problem solving and providing innovative services such as on-site need analysis & cost-in-use analysis.*
- *Prompt deliveries and reliable after sales service - on time, complete and consistent quality.*
- *On line Customer Care Service and Toll-Free Customer Care Line to provide ready information and assistance.*

Over the past years we have pioneered in India innovative products such as the Folded Paper Towel System, the Skin Care System, the Jumbo Roll Tissue System. We recently revolutionised the conventional Roll Bathroom Tissue category with the Hygienic Bathroom Tissue System and the Folded Napkin System category with the Pop-Up Napkin System.

*We would be delighted to assist you maintain and improve the image of your washrooms, increase cleanliness, improve efficiency & hygiene standards, reduce waste and save time & money - **all while delivering exceptional performance and better value for money!***

PERSONAL SEAT COVER SYSTEM

A system that helps you give each of your guests, clients and employees a fresh, clean, sanitised and germ-free toilet seat, each time they use the washroom

PERSONAL SEAT COVER SYSTEM

Personal Seat Cover System gives you that extra edge over competition, to show that you care.

Features

- The enclosed design of the dispenser protects the stored, unused seat cover from dirt, dust & contamination.
- Specially designed simple lever mechanism helps to dispense one seat cover at a time, minimising wastage.
- Unique locking mechanism (snap lock) protects the unused seat cover from tampering, abuse & pilferage.
- Easy to replace the refills.
- Distinctive 'Deco-Strip' feature allows you to customise the dispenser according to your washroom décor.

Refill

- The user touches only the seat cover he/ she uses, eliminating cross-contamination.
- Designed to fit on the toilet seat and provide greater user protection from contaminants, germs and harmful bacteria.
- The used seat cover is pulled down into the toilet bowl automatically on flushing, providing hygienic and convenient disposal.

Recommended

- Hospitals / Healthcare, Schools, Multiplexes, Offices, Airports, Hotels & Motels, Shopping Centre, Bus / Rail Stations,
- Nursing Homes / Clinics, Restaurants & Pubs / Clubs.
